Business Tips

🤝 **Strategic Collaboration**

- You can collaborate with high-rated delivery drivers located near your shop

**Why?**

🚚 Faster Delivery Execution

- Nearby drivers can fulfill orders more quickly-potentially within 15 minutes per order.

📈 Increased Order Capacity

- Faster delivery enables you to handle more orders per hour.

📊 Performance Comparison Example

- With nearby collaboration: up to 4 orders/hour
- Without collaboration: only around 2 orders/hour

Why my sales drop today?

**Sales Today:** $220 (average daily sales in a week: $350)
**Biggest drop:** Lunch orders (only 8 vs. avg. 15)

**Possible Reasons:**
- **Weather:** Heavy rain in Cheras (12-2 PM)
- **New Discounts Nearby:** 10% of Grab merchants in your area launched lunch promos today
- **Recent Openings:** 2 new restaurants joined GrabFood near you this week.
